

INDEPENDENT AUDITOR'S REPORT

To the Members of Ecolife Green One Mobility Private Limited Report on the Audit of Financial Statements

Opinion

We have audited the financial statements of Ecolife Green One Mobility Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and total comprehensive income (comprising of profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it became available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the 'Other information', if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with the governance and take appropriate actions, if required.

The Annual Report / Director report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibility of Management and Those charged with Governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statement, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting framework.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing specified under section 143(1) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) we are responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of the users of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. The Company has not paid any managerial remuneration during the year. Hence, reporting as specified in section 197(16) of the Companies Act is not applicable.
2. As required by the Companies (Auditor's Report) order, 2020 ("the order"), issued by the Central Government of India in terms of the sub section (11) of the section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
3. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the accompanying financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of changes in equity dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on March 31, 2024, and the operating effectiveness of such controls, refer to our separate Report in Annexure B wherein we have expressed an unmodified opinion.

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations (if any) on its financial position as at March 31, 2024.
- ii. The Company did not have any long-term contracts including derivative contracts for which they were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv. (a) The management of the Company has represented that, to the best of its knowledge and belief, no funds have been advances or loaned or invested (either from the borrowed funds or share premium or any other sources or any kinds of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (b) The management of the Company has represented that, to the best of its knowledge and belief, no funds have been received by the Company in any other person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, that Company had recorded in writing or otherwise, the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

Based on such audit procedures that we have considered reasonable and appropriate in the circumstances nothing has come to the notice that has occurred them to believe that the representations under sub-clause (a) and (b) contain any material misstatement

- v. The Company has not declared or paid any dividend during the FY 23-24 and therefore the compliance of the provisions of section 123 of the Act are not applicable.
- vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024

Annexure A referred to the Independent Auditor's Report of even date to the members of Ecolife Green One Mobility Private Limited, on the financial statement for the year ended March 31, 2024:

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plants and Equipment.
- (B) The Company does not own any intangible assets. Accordingly, paragraph 3 (i)(a)(B) of the Order is not applicable to the Company.
- b) The Property, Plants and Equipment have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- c) The Company does not hold any immovable property (in the nature of 'property, plant and equipment'). Accordingly, the paragraph 3 (i)(c) of the Order is not applicable to the Company.
- d) The Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
- e) As per the information and explanations provided to us by the management, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder, therefore reporting under clause 3(i)(e) of the Order is not applicable to the Company.
- (ii) (a) The Company does not hold any inventory, therefore reporting under clause 3(ii)(a) of the Order is not applicable to the Company.
- (b) During any point of time of the year ended March 31, 2024, the company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets, therefore, reporting under clause 3(ii)(b) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us during the course of audit, the company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, therefore reporting under clause 3(iii) of the Order is not applicable to the Company.
- (iv) According to the information and explanations given to us during the course of audit, the company has not granted any loans, has not made any investments, and has not given any guarantees, and security, therefore reporting under clause 3(iv) of the Order is not applicable to the Company.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there is no amount which has been considered as deemed deposit within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

- (vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company. Accordingly, reporting under clause 3(vi) of the Order is not applicable to the Company.
- (vii) (a) According to information and explanations given to us and on the basis of our examination of the books of account and records, the Company has been generally regular in depositing undisputed statutory dues including provident fund, employees state insurance, income-tax, sales tax, duty of customs, duty of excise, value added tax, goods and service tax and other statutory dues with the appropriate authorities and there were no outstanding at March 31, 2024, for a period of more than six months from the date they become payable.
- (b) According to information and explanations given to us, there are no statutory dues referred to in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) According to information and explanations given to us, there are no instances of any transaction not being recorded in the books of account that have been surrendered or disclosed as income during the year ended March 31, 2024, in the tax assessment under the Income Tax Act, 1961.
- (ix) (a) According to the information and explanations given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to information and explanations given to us and representation received from the management of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or other lender.
- (c) In our opinion and according to the information and explanations given to us, term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds on short-term basis have been used for long-term purposes.
- (e) According to the information and explanations given to us, the Company does not have any subsidiaries, associates, or joint ventures, Accordingly, reporting under clause 3(ix)(e) of the Order is not applicable to the Company.
- (f) According to the information and explanations given to us, the Company does not have any subsidiaries, associates, or joint ventures, Accordingly, reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) The company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year ended March 31, 2024. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) In our opinion and according to the information and explanations given to us, the company has made preferential allotment/private placement of preference shares (optionally convertible) during the year and the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with, further, the funds raised have been used for the purposes for which the funds were raised,
- (xi)
- a) During the course of examination of the books and records of the Company and according to the information and explanations given to us, no instances of fraud by the Company or on the Company has been noticed or reported during the year ended March 31, 2024
- b) No report under sub-section (12) of section 143 of the Act has been filed by the auditors Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) According to the information and explanation given to us including the representations made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year ended March 31, 2024.

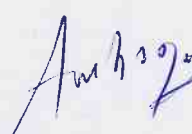

- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable on it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company, with the related parties are in compliance with section 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in the Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act. Further, according to the information and explanations given to us, the Company is not required to constitute an audit committee under section 177 of the Act.
- (xiv) According to the information and explanations given to us, the Company is not required to have an internal audit system under section 138 of the Act and consequently, does not have an internal audit system. Accordingly, reporting under clause 3(xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given to us, the Company has not entered during the year ended March 31, 2024, into non-cash transactions with directors or persons connected with them. Accordingly, reporting under clause 3(xv) of the Order is not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
- (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (d) The Company is not part of any group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016 as amended). Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- (xvii) The company has not incurred cash losses in the immediately preceding financial year and in the current financial year.
- (xviii) There has not been any resignation of Statutory Auditor during the year ended March 31, 2024. Accordingly, reporting under clause 3(xviii) of the Order are not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- (xx) (a) According to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(xx)(a) of the Order is not applicable.
- (b) there is no unspent amount under sub-section (6) of Section 135 of the Act pursuant to any ongoing project. Accordingly, clause 3(xx)(a) of the Order is not applicable.
- (xxi) This report is in relation to the standalone financial statements. This clause (xxi) is for consolidated financial statements; hence, it is not applicable.

Annexure B referred to in Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act') to the Independent Auditor's Report of even date to the members of Ecolife Green One Mobility Private Limited, on the financial statement for the year ended March 31, 2024:

In conjunction with our audit of the financial statements of Ecolife Green One Mobility Private Limited ('the Company') as at and for the year ended March 31, 2024, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that:

- i. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- ii. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- iii. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

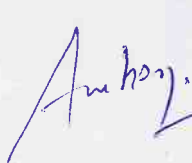

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at March 31, 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Statement of cash flows for the year ended 31 March 2024

(All amounts in ₹ Lakh unless stated otherwise)

	For the year ended 31 March 2024	For the year ended 31 March 2023
A. Cash flows from operating activities:		
Profit/(loss) before tax	1,065.47	(54.20)
Adjustment for:		
Depreciation and amortisation expense	2,329.13	1,457.41
Interest on liability component of preference shares	215.04	-
Finance costs	1,959.33	1,774.85
Interest income	(156.29)	(25.40)
Operating profit before working capital changes	5,412.68	3,152.66
Changes in working capital		
Decrease/(increase) in trade receivables	4,367.90	(6,157.18)
(Increase) in other financial assets - current and non-current	(1,593.08)	(14.90)
(Increase)/decrease in other current assets	(140.65)	327.45
(Decrease)/increase in trade payables	(977.46)	3,414.87
Increase/(decrease) in other financial liabilities	21.08	(2,057.54)
Increase in other current and non-current liabilities	1,377.83	248.63
Increase in provisions	32.96	204.21
Cash flows generated from operations	8,501.26	(881.80)
Less : Direct taxes paid (net of refunds)	(5.05)	(289.96)
Net cash flows from/(used in) operating activities (A)	8,496.21	(1,171.76)
B. Cash flows from investing activities:		
Payment for purchase of property, plant and equipment (including capital work in progress)	(28,675.22)	(2,598.12)
Interest received	38.35	-
Investments in fixed deposits (net)	(1,294.52)	(2,212.48)
Proceeds from capital subsidy	4,400.00	2,200.00
Net cash used in investing activities (B)	(25,531.39)	(2,610.60)
C. Cash flows from financing activities		
Proceeds from issue of equity share	-	1,000.00
Proceeds from issue of preference share	4,925.00	-
Proceeds from non-current borrowings	16,929.60	-
Proceeds from inter corporate loan	-	2,762.14
Repayment of inter corporate loan	(2,762.14)	-
Interest income	-	17.90
Finance costs paid	(1,596.31)	-
Net cash flows from financing activities (C)	17,496.15	3,780.04
Net increase/(decrease) in cash and cash equivalents (A+B+C)	460.97	(2.32)
Cash and cash equivalents at the beginning of the year	7.93	10.25
Cash and cash equivalents at the end of the year (refer note 9)	468.90	7.93

Notes:

- The above statement of cash flows has been prepared under the indirect method as set out in the Ind AS 7, "Statement of cash flows".
- Refer note no.39 for reconciliation of financial liabilities arising from financing activities as per amendment to Ind-AS 7: Statement of Cash Flows.

1 General information

Ecolife Green One Mobility Private Limited (the "Company") is a private limited Company incorporated on 14th May 2021 under the Companies Act, 2013 having its registered office at 601, Hemkunt Chambers, 89, Nehru Place, New Delhi (South Delhi), 110019 India. The principal activities of the Company are owning, operating and maintaining electric vehicles commercially and managing depots thereof.

The financial statements for the year ended March 31, 2024 were approved by the Board of Directors and authorize for issue on 01 May 2024.

2 Basis of preparation and presentation

2.1 Compliance with Indian Accounting Standards ("Ind AS")

The Financial Statements have been prepared as a going concern in accordance with the Indian Accounting Standards (Ind AS) notified under the section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, presentation requirement as per Division II of the schedule III of the Act and other relevant provisions of the Act.

2.2 Historical cost convention

These standalone financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under indirect method, whereby profit or loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

These standalone financial statements have been prepared in Indian Rupee (₹) which is the functional currency of the Company. All amounts disclosed in the financial statements and the accompanying notes have been rounded off to the nearest lakhs as per the requirement of Schedule III (Division II) of the Companies Act 2013, unless otherwise stated.

3 New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 31 March 2023 notified the Companies (Indian Accounting Standards) Amendment Rules, 2023, which amended certain accounting standards (see below), and were effective from 1 April 2023:

Ind AS 1 – Disclosure of accounting policies -The amendment requires entities to disclose their material rather than their significant accounting policies. These amendments define what is 'material accounting policy information' and explain how to identify when accounting policy information is material. They further clarify that immaterial accounting policy information does not need to be disclosed. If it is disclosed, it should not obscure material accounting information.

Ind AS 8 – Definition of accounting estimates -The amendment clarifies how entities should distinguish changes in accounting policies from changes in accounting estimates. The distinction is important, because changes in accounting estimates are applied prospectively to future transactions and other future events, whereas changes in accounting policies are generally applied retrospectively to past transactions and other past events (as well as the current period).

Ind AS 12 – Deferred tax related to assets and liabilities arising from a single transaction -The amendment requires entities to recognise deferred tax on transactions that, on initial recognition, give rise to equal amounts of taxable and deductible temporary differences. These should be recognised at the beginning of the earliest comparative period for all deductible and taxable temporary differences associated with right-of-use assets and lease liabilities, and decommissioning, restoration and similar liabilities, and the corresponding amounts recognised as part of the cost of the related assets. The cumulative effect of recognising these adjustments is recognised in the opening balance of retained earnings, or another component of equity, as appropriate.

These amendments did not have any material impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods. As at 31 March 2024, there are no amendments to the accounting standards that are notified and are applicable from 01 April 2024.

4 Use of estimates and judgements and accounting policies

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amount of revenues and expenses for the period presented. Actual results may differ from the estimates.

Estimates and underlying assumptions are reviewed at each balance sheet date. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods affected.

The Company uses the following critical accounting judgements, estimates and assumptions in preparation of its financial statements.

(This space has been intentionally left blank)

4.1 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the Balance Sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

4.2 Property, plant and equipment

Recognition and initial recognition

Property, Plant and Equipment (PPE) are stated at cost of acquisition, net of accumulated depreciation and accumulated impairment losses, if any. The cost of tangible asset includes purchase cost (net of rebates, subsidy and discounts) including non-refundable taxes, and any directly attributable costs on making the asset ready for its intended use. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

Interest cost incurred on qualifying asset is capitalized up to the date the asset is ready for its intended use, based on borrowings incurred specifically for financing the asset or the weighted average rate of all other borrowings if no specific borrowings have been incurred for the asset.

Subsequent measurement (Depreciation, estimated useful lives and residual value)

Depreciation is calculated using the straight-line method on a pro-rata basis from the date on which each asset is ready to use to allocate their cost, net of their residual values, over their estimated useful lives of the assets as prescribed in Schedule II of the companies Act, 2013 except in respect of the following assets where estimated useful life is determined as per management's estimate based on technical advice considering the nature of assets, the usage of asset, expected physical wear & tear:

Property, plant and equipment	Useful lives based on technical evaluation
Commercial Vehicle (Bus)	12 Years
Plant & Equipment	12 Years

The assets' residual values, estimated useful lives and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

De-recognition

An item of Property, plant and equipments or any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gains and losses arising on disposal are determined by comparing proceeds with carrying amount and is recognised in the statement of profit and loss when such asset is de-recognised.

4.3 Capital work-in-progress

Projects under which the property, plant and equipment is not yet ready for their intended use are carried as capital work-in-progress at cost, net of accumulated impairment loss, if any.

4.4 Trade receivables

Trade receivables are recognized initially at fair value and subsequently measured at amortized cost less provision for impairment, if any.

4.5 Cash and cash equivalents

In the Cash Flow Statement, cash and cash equivalents includes cash in hand, cheques and balances with bank and short term highly liquid investments with original maturities of three months or less that are readily convertible to known amount of cash.

(This space has been intentionally left blank)

4.6 Financial instruments

Initial recognition

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial instruments (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss. Subsequently, financial instruments are measured according to the category in which they are classified.

Subsequent measurement

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost using the effective interest method or fair value, depending on the classification of the financial assets.

Classification of financial assets

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test: The contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset which is not classified in above category are subsequently measured at fair value through profit and loss.

Derecognition of financial assets

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients
- The right to receive cash flows from the asset has expired.

Financial liabilities

Subsequent measurement

Subsequent to initial recognition, all derivative financial liabilities are measured at fair value through profit or loss and all non-derivative financial liabilities are measured at amortised cost.

Derecognition

A financial liability de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the of the original liability and the recognition of a new liability. The difference in the respective carrying amounts recognised in the statement of profit and loss.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

4.7 Impairment of financial assets:

The Company assesses impairment based on expected credit losses (ECL) model to the following:

- financial assets measured at amortised cost
- financial assets measured at fair value through other comprehensive income

Expected credit loss are measured through a loss allowance at an amount equal to :

- the twelve month expected credit losses (expected credit losses that result from those default events on the financial instruments that are possible within twelve months after the reporting date); or
- full life time expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

4.8 Equity, reserves and dividend payments

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as deduction, net of tax, from the proceeds. Retained earnings include the current and prior period retained profits/(loss). All transactions with the owners of the Company are recorded separately within equity.

4.9 Preference shares

The company has issued redeemable preference shares that are classified as compound financial instruments basis the terms and conditions of the agreement and the criteria defined as per "Ind AS -32 : Financial instruments : Presentation". The liability component of the instruments are measured at fair value through profit and loss at the end of each reporting period.

4.10 Government grants & subsidies

Government grants are recognised only when there is a reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises the expenses, the related costs for which the grants are intended to compensate. Grant relating to assets are netted off against the acquisition cost of the asset. In case of a government grants relating to non-monetary asset, received for the use of the Company, both grant and asset are accounted for at a nominal value.

4.11 Taxation

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity).

4.12 Trade and other payables

Trade and other payables represent liabilities for goods or services provided to the Company prior to the end of financial period which are unpaid.

4.13 Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred, if any. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Statement of Profit and Loss over the period of the borrowings using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit and Loss.

4.14 Provisions

Provisions are recognized when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made, provisions required to settle are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the obligation. Provisions are discounted to their present values, where the time value of money is material.

4.15 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue excludes indirect taxes, if any since these are collected on behalf of the government. The Company recognizes revenue when the amount of revenue and its related cost can be reliably measured and it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below:

(a) Sale of services

Revenue from services are recognized as related services are performed. The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- a. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs;
- b. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- c. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

(b) Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. For all Financial instruments measured either at amortized or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). Interest income is included in other income in the Statement of Profit and Loss. Interest income in respect of financial instruments measured at fair value through profit or loss is included in other income.

4.16 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are recognised in the Statement of profit and loss in the year in which they are incurred.

Borrowing costs consist of interest, which is computed as per effective interest method, and other costs that an entity incurs in connection with the borrowing of funds.

4.17 Employee benefits

Short-term obligations

Liabilities for wages and salaries including non-monetary benefits that are expected to be settled within the operating cycle after the end of the period in which the employees render the related services are recognised in the period in which the related services are rendered and are measured at the undiscounted amount expected to be paid.

Other long-term employee benefit obligations

Liabilities for leave encashment and compensated absences which are not expected to be settled wholly within the operating cycle after the end of the period in which the employees render the related service are measured at the present value of the estimated future cash outflows which is expected to be paid using the projected unit credit method by an independent actuary where the employee cost is significant. The benefits are discounted using the market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

Post-employment obligations

Defined benefit plans

The Company has defined benefit plans namely gratuity for employees.

The liability or asset recognised in the Balance Sheet in respect of gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by an independent actuary using the projected unit credit method where the employee cost is significant.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in profit or loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined contribution plans

The Company has defined contribution plans for post retirements benefits, namely, Employee Provident Fund Scheme administered through Provident Fund Commissioner. The Company's contribution is charged to the Statement of Profit and Loss. The Company has no further payment obligations once the contributions have been paid.

The Company's contribution to State Plans namely Employees' State Insurance Fund Scheme, Employees' Pension Scheme and Labour welfare fund are charged to the Statement of Profit and Loss every year.

Termination Benefits

A liability for the termination benefit is recognised when the Company can no longer withdraw the offer of the termination benefit.

4.18 Contingent assets and contingent liabilities

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent assets

Contingent asset being a possible asset that arises from past events, the existence of which will be confirmed only by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company, is not recognized but disclosed in the financial statements.

4.19 Earnings Per Share

Basic earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where the result is anti-dilutive.

4.20 Significant accounting judgements, estimates and assumptions

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on most recently available information. Revision to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected. In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognized in the financial statements:

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(i) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow (DCF) model based on level 3 inputs. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(ii) Impairment of financial assets

The impairment provisions for trade receivables are based on assumptions about risk of default and expected loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation based on the company's past history and other factors at the end of each reporting period.

(iii) Estimates related to useful life of Property, plant and equipment

Depreciation on Property, plant and equipment is calculated on a straight-line basis over the useful lives estimated by the management. These rates are in line with the lives prescribed under Schedule II of the Companies Act, 2013 except in respect of the certain assets where estimated useful life is determined as per management's estimate based on technical advice considering the nature of assets, the usage of asset, expected physical wear & tear. The management believes that depreciation rates currently used fairly reflect its estimate of the useful lives and residual values of property, plant and equipment.

(iv) Impairment of assets

An impairment exists when the carrying value of an asset exceeds its recoverable amount. Recoverable amount is the higher of its fair value less costs to sell and its value in use. The value in use calculation is based on a discounted cash flow model. In calculating the value in use, certain assumptions are required to be made in respect of highly uncertain matters, including management's expectations of growth in EBITDA, long term growth rates; and the selection of discount rates to reflect the risks involved.

(v) Contingent liabilities

The contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company. The Company evaluates the obligation through Probable, Possible or Remote model ('PPR'). In making the evaluation for PPR, the Company take into consideration the Industry perspective, legal and technical view, availability of documentation/agreements, interpretation of the matter, independent opinion from professionals (specific matters) etc. which can vary based on subsequent events. The Company provides the liability in the books for probable cases, while possible cases are shown as contingent liability. The remotes cases are not disclosed in the financial statement.

(vi) Taxes

Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

29 Earnings per share (EPS)

Particulars	For the year ended 31 March 2024	For the year ended 31 March 2023
Profit/(loss) for the year attributable to equity shareholders	795.47	(137.30)
Weighted average number of equity shares (Nos.)	1,01,00,000	31,13,699.00
Nominal value of equity share (₹)	10.00	10.00
Basic Earnings per share (₹)	7.88	(4.41)
Diluted Earnings per share (₹)	7.88	(4.41)

The company did not issued any class of instrument which are convertible into potential equity shares and accordingly, the diluted earnings per share is same as basic earnings per share for the year ended 31 March 2024 and 31 March 2023.

30 Commitments and contingent liabilities

Contingent liabilities:

Pursuant to certain demand received from Delhi transport Corporation (DTC) amounting to 797.69 Lakh with respect to non-conformance with certain conditions of the concession agreement dated 17 September 2021, the company has represented before the said authority for waiver of said demand. In the opinion of the management, there will be no outflow of resources with respect to such demand received from DTC. There are no other contingent liabilities except mentioned above.

Commitments:

Particulars	As at 31st March, 2024	As at 31st March, 2023
Bank Guarantees	11,000.00	927.55

(This space has been intentionally left blank)

31 Financial instruments

Financial assets and liabilities

The carrying value and fair value of financial assets and liabilities measured at amortised cost or fair value through Statement of profit and loss is disclosed below:

Particulars	As at 31 March 2024		As at 31 March 2023	
	Carrying Value	Fair Value	Carrying Value	Fair Value
Financial assets measured at amortised cost				
Cash & cash equivalents	468.90	468.90	7.93	7.93
Trade receivables	1,789.28	1,789.28	6,157.18	6,157.18
Other current financial assets	29.57	29.57	7.50	7.50
Total financial assets measured at amortised cost	2,287.75	2,287.75	6,172.61	6,172.61
Financial liabilities measured at fair value				
Liability component of compound financial instruments	2,686.73	2,686.73	-	-
Financial liabilities measured at amortised cost				
Non current borrowings*	16,929.60	16,929.60	2,762.14	2,762.14
Trade payables	569.06	569.06	1,546.51	1,546.51
Other current financial liabilities	6,717.20	6,717.20	34,503.23	34,503.23
Total financial liabilities measured at amortised cost	24,215.86	24,215.86	38,811.88	38,811.88

* including current maturities of non- current borrowings.

Carrying value of cash and cash equivalents, trade receivables, borrowings, fixed deposit, trade payables & other financial liabilities are considered to be same as their fair value.

B. Fair value hierarchy

Financial assets and liabilities that are measured at the fair value are grouped into three levels of fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement. The categories used are as follows:

Level 1: Measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The fair value of the financial assets are determined at the amount that would be received to sell an asset in an orderly transaction between market participants.

32 Financial risk management

The Board of Directors oversee the Risk Management Framework and developing and monitoring the Company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

Below note explains the sources of the risks which the entity is exposed to and how the entity measures the associated risk and the related impact in the financial statements:

Risk	Exposure arising from	Measurement
- Credit risk	Cash and cash equivalent, other bank balances, trade receivables and other financial assets	Aging analysis
- Market risk	Variable rate borrowings	Sensitivity analysis
- Liquidity risk	Borrowings, Trade payables and other financial liabilities	Cash flow forecast

A Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Company's exposure and wherever appropriate, the credit ratings of its counterparties are continuously monitored and spread amongst various counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management of the Company.

Cash and cash equivalents and bank deposits

Credit risk related to Cash and cash equivalents and bank deposits is managed by only accepting highly rated banks.

Trade receivables

Credit risk related to trade receivables are managed by monitoring the recoverability of such amounts continuously.

Other financial assets

Other financial assets measured at amortised cost includes Security deposits, Subsidy receivable, Interest accrued on fixed deposits, Taxes recoverable and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

Ecolife Green One Mobility Private Limited

CIN: U63030DL2021PTC381138

Notes forming part of financial statements for the year ended 31 March 2024

(All amounts in ₹ Lakh unless stated otherwise)

B Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The Company does not have any Financial Instruments affected by market risk hence no sensitivity analyses shown under this risk.

The Company does not have any exposure to fluctuations in foreign currency exchange rates.

Interest rate risk management

The Company is exposed to interest rate risk on the funds borrowed at floating interest rates:

Particulars	As at 31 Mar 2024	As at 31 Mar 2023
Variable rate liabilities		
Term loan from bank	16,929.60	-

Interest rate risk exposure

The sensitivity analyses below have been determined based on the exposure to interest rates at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Particulars	31 March 2024	31 March 2023
Impact on Profit / (loss) for the year for a 50 basis point change:		
Impact due to increase by 50 basis points	84.65	-
Impact due to decrease by 50 basis points	(84.65)	-

C Liquidity risk

Liquidity risk refers to the risk that the Company can not meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and to ensure funds are available for use as per the requirements.

The management monitors the Company's liquidity position and cash and cash equivalents in the basis of expected cash flows. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of long term borrowings and trade payables etc. The Company has access to a sufficient variety of sources of funding and debt.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

Particulars	Less than 1 year	1 to 5 years	More than 5 years	Total
As at 31 March 2024				
Borrowings*	3,839.89	13,985.93	4,296.30	22,122.12
Preference shares	-	-	4,925.00	4,925.00
Trade payables	569.06	-	-	569.06
Other financial liabilities	6,717.20	-	-	6,717.20
Total	11,126.15	13,985.93	9,221.30	34,333.38

*including current maturities of non-current borrowings.

Particulars	Less than 1 year	1 to 5 years	More than 5 years	Total
As at 31 March 2023				
Current Borrowings (ICD)	2,762.14	-	-	2,762.14
Trade payables	1,546.52	-	-	1,546.52
Other financial liabilities	34,503.23	-	-	34,503.23
Total	38,811.89	-	-	38,811.89

33 Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to stakeholders through efficient allocation of capital towards expansion of business, optimisation of working capital requirements and deployment of surplus funds into various investment options.

The management of the Company reviews the capital structure of the Company on regular basis. As part of this review, the Board considers the cost of capital and the risks associated with the movement in the working capital.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, loans and borrowings less cash and cash equivalents.

Particulars	31 March 2024	31 March 2023
Borrowing from banks	16,929.60	-
Other borrowings	2,686.73	2,762.14
Total debt	19,616.33	2,762.14
Less: Cash and cash equivalents	468.90	7.93
Net debt	19,147.43	2,754.21
Equity attributable to the owners of the Company	3,503.60	872.11
Net debt to equity ratio (Times)	5.47	3.16

Notes forming part of financial statements for the year ended 31 March 2024

(All amounts in ₹ Lakh unless stated otherwise)

34 Employee benefits

The Company has classified the various benefits provided to employees as under:

A. Defined contribution and other plans

Contributions are made to the provident fund. The contributions are normally based upon a proportion of the employee's salary. The Company has recognized the following amounts in the Statement of profit and loss:

Description	31 March 2024	31 March 2023
Employer's contribution to provident fund*	23.80	12.11

* included in contribution to provident & other funds under employee benefit expenses (refer note 23)

B. Defined benefit plans as per Ind AS-19: Employee benefits
Gratuity

The Company has a defined benefit gratuity plan (unfunded). Every employee who has completed five years or more of service gets a gratuity on departure equivalent to 15 days of last drawn basic salary for each completed year of service.

These Plans typically expose the Company to actuarial risks such as:

- Investment Risk:** The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.
- Interest Risk:** The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability.
- Longevity risk:** The present value of defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants during employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
- Salary Risk:** The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

The following tables summaries the components of net benefit expense recognized in the statement of profit and loss and amount recognised in the balance sheet:

i. Amount recognised in the statement of profit and loss is as under:

Description	31 March 2024	31 March 2023
Current service cost	18.92	4.07
Net interest cost	0.53	-
Amount recognised in the statement of profit and loss	19.46	4.07

ii. Amount recognised in other comprehensive income is as under:

Description	31 March 2024	31 March 2023
Actuarial loss/(gain) recognised during the year		
- Change in financial assumptions	0.59	-
- Experience variance (i.e. actual experience vs assumptions)	(0.81)	-
Amount recognised in the other comprehensive income	(0.21)	-

iii. Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	31 March 2024	31 March 2023
Present value of defined benefit obligation at the beginning of the year	4.07	-
Current service cost	18.92	4.07
Interest cost	0.53	-
Change in financial assumptions	0.59	-
Experience variance (i.e. actual experience vs assumptions)	(0.81)	-
Present value of defined benefit obligation at the end of the year	23.31	4.07

iv. Current/Non-current bifurcation

Description	31 March 2024	31 March 2023
Current benefit obligation	0.52	0.01
Non-current benefit obligation	22.79	4.06
Liability recognised in the balance sheet	23.31	4.07

v. Actuarial assumptions

Description	31 March 2024	31 March 2023
Discount rate	7.37%	7.09%
Future basic salary increase	8.00%	8.00%
Expected rate of return on plan assets	Not applicable	Not applicable
Mortality (% of IALM 12-14) ultimate	100.00%	100.00%
Normal retirement age	58 Years	58 Years
Attrition/withdrawal rate (per annum)	8.00%	8.00%

The estimates of future salary increases, considered in actuarial valuation, takes consideration of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Ecolife Green One Mobility Private Limited

CIN: U63030DL2021PTC381138

vi. Maturity Profile of Defined Benefit Obligation

Expected Cash Flow over the next (Valued on undiscounted basis)	31 March 2024	31 March 2023
1 year	0.54	0.01
2 year	0.54	0.01
3 year	0.98	0.01
4 year	1.63	0.01
5 year	4.67	0.01
6 to 10 years	12.02	0.32

vii. Sensitivity analysis for gratuity liability

Description	31 March 2024	31 March 2023
Defined benefit obligation (Base)	23.31	4.07
Impact of change in discount rate		
- Discount rate increase by 100 basis points	(2.01)	(0.49)
- Discount rate decrease by 100 basis points	2.34	0.58
Impact of change in salary increase rate		
- Salary rate increase by 100 basis points	2.05	0.50
- Salary rate decrease by 100 basis points	(1.92)	(0.47)
Impact of change in withdrawal rate		
- Salary rate increase by 100 basis points	(0.52)	-
- Salary rate decrease by 100 basis points	0.53	-

The above sensitivity analysis is based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method has been applied which was applied while calculating the defined benefit obligation liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior periods.

Leave encashment and compensated absences (Unfunded)

The leave obligations covers the Company's liability for sick and earned leaves.

i. Amount recognised in the statement of profit and loss is as under:

Description	31 March 2024	31 March 2023
Current service cost	12.54	0.72
Net interest cost	0.51	-
Experience variance (i.e. actual experience vs assumptions)	0.54	-
Amount recognised in the statement of profit and loss	13.59	0.72

ii. Movement in the present value of defined benefit obligation recognised in the balance sheet is as under:

Description	31 March 2024	31 March 2023
Present value of defined benefit obligation at the beginning of the year	0.72	-
Current service cost	12.54	0.72
Net interest cost	0.51	-
Experience variance (i.e. actual experience vs assumptions)	0.54	-
Benefits paid	(0.09)	-
Present value of defined benefit obligation at the end of the year	14.22	0.72

iii. Current / Non-current bifurcation

Description	31 March 2024	31 March 2023
Current benefit obligation	1.45	0.07
Non - current benefit obligation	12.77	0.65
Liability recognised in the balance sheet	14.22	0.72

iv. Actuarial assumptions

Description	31 March 2024	31 March 2023
Discount rate	7.09%	7.37%
Future salary increase	8.00%	8.00%
Normal retirement age	58 years	58 years
Mortality (% of IALM 12-14)	IALM (2012-14) Ultimate	IALM (2012-14) Ultimate
Attrition turnover / withdrawal rate	8.00%	8.00%

v. Sensitivity analysis

Description	31 March 2024	31 March 2023
Present Value of Obligation (Base)	14.22	0.72

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year-end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.
